

Crochet Pill Bottle Cozy Pattern

By: Dana Byerwalter for FaveCrafts.com

If you're looking for small crochet patterns that are also wildly handy, make the Crochet Pill Bottle Cozy Pattern. This free crochet pattern is one of the best pill bottle crafts we've seen. Simply crochet a small tube with a loop at the top to wrap around your pill bottle. This is great for finding pill bottles easily in your purse. You can even color code them if you have more than one prescription, although PLEASE NOTE to read the label always before taking the medication. This is also a sweet gift for a loved one.
