

How to Wash Flannel Shirts, Sheets, and Blankets: Hand Washing

1. Fill a container with warm water.
2. Add mild detergent. Mix.
3. Add flannel. Mix. Let sit for 10 minutes and then mix again.
4. Dump water and wring flannel until excess water is removed.
5. Fill container with warm water again but no detergent. Rinse fabric.
6. Add the fabric softener. Mix. Leave for 5 minutes and dump water.
7. Rinse the flannel in equally warm water as before. Wring fabric once clean.
8. Hang to dry and keep hanging or laid flat to reduce wrinkles or use a machine to dry.
