

Tips for Planning the Best Kid's Party

1 Involve your child in the planning process.

2 Keep it short and structured.

3 Keep the kids busy, and plan age-appropriate activities for guests of all ages.

4 The food doesn't have to be complicated.

5 Serve the birthday kid before serving remaining guests from youngest to oldest.

6 Hand out goodie bags at the end of the party.

7 Open at the party if children are old enough.
